GET READY FOR MIDDLE SCHOOL CAMP

Middle School can be a big change for students. Help them get ready for their new role as middle schoolers. We'll help your child get a game plan for getting organized, teach them good note taking skills, and teach them how to tackle time management. Plus, we'll break down what they need to know to write a good essay. Grades 4-6.

Students can also get help to prepare for the upcoming school year or refresh skills from last year by participating in our Sylvan tutoring services. We can help students with their math, reading, and writing skills. Offered afternoon, evening and Saturday hours.

Call us at 225-752-7323 or visit SylvanofBatonRouge.com to enroll

Note: Our camps are recommended for students functioning on grade level. These camps are not designed to address remediation. All camps must be prepaid prior to the first day of class. No make-ups and no refunds. All other standard Sylvan Policies remain in effect.
