			Tue	3:30pm, 4:30pm, 5:30pm	
			Wed	10:30am, 11:30am, 4:30pm, 5:30pm	
			Thurs	3:30pm, 4:30pm, 5:30pm	
			Sat	9:30am, 10:30am, 11:30am	
Math (Select 2x/wk or 4x/wk select times)	from Upper Level Math Edge	Pre Algebra (Grades 6-8)	Mon/Wed	10:30am, 11:30am	2x/wk \$225/mo 4x/wk \$450/mo
		Algebra 1 (Grades 7-12)	Tues/Thurs	4:30pm & 5:30pm	
		Geometry (Grades 8-12)	Sat	10:30am	
		Algebra 2 (Grades 9-12)	Sat	11:30am	

Sylvan Learning of Greenville, 150 Tanner Rd, Suite F, Greenville, SC 29607

STEM CAMPS

Mad Science I Grades 1st - 3rd	In this creative, hands-on camp, the kids will take on "missions" to explore exciting science concepts like flight, forces, electricity, air, sound and magnetism. Each session has a clever, theme-based challenge to inspire the kids' creativity.	6/20 - 6/23	\$145
Mad Science II Grades 4th - 6th			
Fraction Action I Grades 3rd - 5th	A fun approach for your child to improve understanding and gain confidence working with basic fractions. The camp will model and write fractions, find equivalent fractions, add and subtract fractions or Multiply and divide (grade dependent) with like and unlike denominators, and compare and order fractions.	6/27 - 6/30	\$145
Fraction Action II Grades 5th - 7th			
Robotics Grades 1st - 4th	Robotics is designed to help keen young engineers of the future learn about new technologies and robotics. Kids use LEGO® to build and program robots.	7/11 - 7/14	\$145
Fit 4 Algebra Grades 5th - 8th	In these small-group camp programs, students in grades six through nine will have the opportunity to review and practice the skills that comprise the critical foundations for Algebra in a meaningful, engaging way. In each camp session, students will work on skills from one or more of the seven domains. Students will be evaluated on Day 1 to be sure they are placed in the small group that matches their skillset most.	7/18 - 7/21	\$145
Super Structures Engineering Grades 3rd - 5th			
Innovation Station: Get the Ball Rolling Grades 1st - 5th	A GREAT camp for friends to partner-up! Students will collaborate to plan, build, test and redesign a K'NEX® "machine" that will move a ball without touching it or allowing it to bounce back, or fall. The challenge ends with a presentation of their project to parents.	7/25 - 7/28	\$145

ACADEMIC BACK-TO-SCHOOL CAMPS

Study Skills Grades 5th - 8th	Middle & High School can be an exciting but challenging time for students adjusting to new environments, taking on more responsibilities, & handling heavier workloads. Our Back to School Study Skills Boot Camp will give your child the skills & confidence needed for success – both in and out of the classroom. We will teach them how to set goals for the upcoming year, manage their time more wisely, organize schoolwork and study areas, and use strategies to address learning preferences.	8/1 - 8/4	\$145
Math Facts: Add/Subtract Grades 1st - 3rd	A fun approach for your child to increase fluency with basic addition and subtraction skills. Student skills will be determined the first day to identify their individual needs.		\$145
Math Facts: Multiply/Divide Grades 3rd - 5th	A fun approach for your child to increase fluency with basic multiplication and division skills. Student skills will be determined the first day to identify their individual needs.		

SUMMER-LONG OPTIONS

Personalized Tutoring	This summer is a great time to recover from COVID19 Learning Loss. A personalized program is the best way to get your student back on track for a successful 2021-2022 school year. Sylvan delivers results like no one else - up to 3x growth! Just as important, kids love coming to Sylvan. Our personal approach and amazing teachers build your child's skills and confidence, so they can succeed. Our interactive iPad® lessons and fun rewards make learning oh-so-cool! Call for a free consultation!	Assessment Appointments available throughout the week & Saturdays. Tutoring Times in the morning, afternoon & Saturday.	\$95 Assessment w/monthly payments as low as \$125
Upper Level Math Edge	Prep for the upcoming school year and work through the curriculum of Pre-Algebra, Algebra 1 or 2, or Geometry.	Select Times throughout Summer, Choose 2 times/week or 4 times/week	\$225/mo 2x \$450/mo 4x
Study Hall for Early High School Credit or Credit Recovery ((\$350/class registration fee)	Sign up for one of our Columbia School High School Credit classes (or recover credit) and ensure the work is getting completed by attending our Study Hall two or four session a week
