Sylvan of North Mississauga

Course Descriptions

Robotics 101

(Grades 2-4)

A lively introduction to building and programming robots using LEGO®

Robotics 201

(Grades 4-6)

Build sophisticated bots using LEGO® for advanced problem solving and engineering

Game Design 101

(Grades 3-5)

Learn basic programming through animation and video game design

Game Design 201

(Grades 6-8)

An advanced introduction to programming through animation and video game design

Math Edge

(Grades 1-5)

Fun math mastery! Monthly Math Edge memberships help boost speed and accuracy while developing independent learning and problem solving skills, coupled with engaging "brain booster" math games.

Homework Help

(1-12)

Kids will set goals for the upcoming school year and learn how to manage time effectively. Additionally, they will earn strategies for their learning style and be ready to take on the new year with confidence.

High School Math Homework Help

(9-12)

Kids will set goals for the upcoming school year and learn how to manage time effectively. Additionally, they will earn strategies for their learning style and be ready to take on the new year with confidence.

Personal Tutoring

(Grades PreK - 12)

Sylvan's personal approach in math, reading, writing, and study skills can set your child up for success for the next school year and for life. Our hours are flexible and programs are developed on your personal needs and goals.
