WRITING READING MATH STEM STUDY SKILLS COLLEGE PREP HOMEWORK HELP

**WHO WE ARE:** Over the past thirty years, Sylvan has given over a million kids the skills to do better in school and the confidence to do better in everything else. We can do the same for your child.

**WHAT WE DO:** We start by identifying your child's specific needs with a Sylvan Insight Assessment™. It's a revealing and positive experience.

- Our certified teachers provide personalized lesson plans and individual attention for your child.
- We meet with your child's classroom teachers and can be an advocate for your child in educational meetings at school.
- We update you with progress reports and regularly scheduled conferences every step of the way.
- You get to see your child smiling and feeling good about learning.

**EARLY READING** develops phonics, comprehension, fluency, and vocabulary skills while fostering a love of learning.

**ACADEMIC READING** develops word analysis, comprehension, fluency and vocabulary skills and creates confidence in reading.

**ACADEMIC WRITING** develops clear thinking, organization, and creative skills required for effective composition

**MATH ESSENTIALS** helps in computation and concepts and application, with heavy emphasis on problem solving and enrichment.

**SYLVAN ADVANCED STUDY SKILLS** take ownership over their schoolwork through units in organization, time management, goal setting, as well as test-taking strategies and note taking.

**STAAR PREP** focuses on targeting areas for improvement paired with test-taking strategies.

**STEM** focuses on critical areas needed for the future. Our innovative programs will light up your child's mind and build a love for STEM.

**SPEED READING** or Advanced Reading Skills teaches strategies to dramatically improve reading speed

**COLLEGE PREP** teaches personalized strategies for increasing overall SAT/ACT scores. The course includes a one-year subscription to our Sylvan Test Prep website

**COLLEGE PREP WRITING** provides help with writing essays for College Board application, as well as practice for college level research writing.

**HOMEWORK SUPPORT** gives students the support they need to understand their homework and be successful at school. Topics include:

- K-8 homework support and review in all subjects
- Biology, Chemistry, Physics
- Algebra I and II, Geometry, Pre-Calculus, Calculus and College Algebra
- History
- English I, II, III and IV

Learning Should Be Personal...
